

Greater Pittsburgh Council-Boy Scouts of America "Scout ReadyNet" Alert

As part of Scouting's ongoing national Good Turn initiative, the council is once again inviting unit leaders to become part of the emergency response network called "Scout ReadyNET."

Scout ReadyNET is comprised of council volunteers, Red Cross leaders, the council's eleven district coordinators, and unit level volunteers who become "a contact network" in the event the council is called upon for emergency readiness in our region.

If an emergency situation occurs such as from winter storm flooding ... Cub Scouts, Boy Scouts and Venturers may be asked to volunteer by helping distribute relief items to people at community shelters and with neighbor- to-neighbor clean-up efforts.
