A new troop leader is considered trained upon completion of Fast Start Orientation, New Leader Essentials, and all four parts of Scoutmaster and Assistant Scoutmaster Leader Specific Training. Troop committee members and Webelos leaders who plan to move into a leadership position in a troop are encouraged to complete this training as well.

Your fee includes meals, program supplies, recognition items, a three-ring binder or CD containing all handouts from the weekend, and use of the facilities.

Trained leaders ensure that the goals of Scouting are met. All Scout leaders need training to help them understand the aims and purposes of the Scouting program, to improve their ability to work with boys and other leaders, to learn Scouting skills, and to learn how to plan an effective Scouting program.
